THE SCHOOL GROUNDS ARE A NO SMOKING ZONE AT ALL TIMES

All Parents/Guardians and any visitors you may bring must read our general terms and conditions and the full NSG rules and regulations before arriving. **Your attendance at our lessons is acknowledgement and acceptance of our rules, Terms and Conditions without exception.** You are responsible for the safe supervision of any children you bring at all times. Children should always be under the direct supervision of an adult and never be left unattended.

ENTRANCE TO THE SCHOOL

Drive/Walk into the main school gates. Please arrive no earlier than 10 minutes before the start of your lesson.

Turn left at the Spinney Theatre sign and drive down to the car park.

As you drive down you will see the swimming pool on the right. Please note: the pool entrance pictured is not for public use. Follow our instructions below to gain access to the pool building.

CAR PARKING

Use the designated car parking spaces outside the pool and the sports hall. **THE SCHOOL HAVE ASKED THAT YOU DO NOT PARK IN THE BUS TURNING CIRCLE OR THE BUS BAYS AT THE FAR END OF THE CAR PARK BEFORE 5.30PM.**

Please be considerate when parking and only use the disabled bays if you have a blue badge.

ENTRANCE TO THE SWIMMING POOL

Use the set of green gates by the school sports hall and walk down towards the sign post that says "pool". Turn right and continue walking.

You will see the swimming pool entrance in front of you clearly marked SWIMMING POOL. Please do not attempt to go into any other buildings.

Stages 3-10 (Yellow, Green, Blue, Purple, Black/Silver Hat) swimmers will need to arrive “**beach ready**” with swimwear under easy to remove clothing on poolside. Changing rooms will remain **exit only** (used only after swimming) for these Stages. If you are dropping off a swimmer (and not spectating) please remain in your car or leave the school site until 5 minutes before the end of your swimmer’s lesson.

Red hat swimmers (Stages 1-2) will need a Parent/Guardian to enter the changing rooms to supervise and help swimmers get changed and then spectate in the normal way.

Once in the foyer area, the girls changing rooms are on the right of the main door as you walk in. The boys changing rooms are opposite. Both changing rooms are clearly marked. No food is allowed at the poolside or in the changing areas. **No prams or pushchairs are allowed in the changing areas or poolside.**

CHANGING ROOMS

Covid rates remain high so a face covering over the nose and mouth is **strongly recommended** for all adults (unless medically exempt) and should be used in confined spaces (changing rooms, corridors, poolside etc).

Parents/Guardians must not enter the changing rooms unless their swimmer is:

- a) Under the age of 8 years or a Red Hat swimmer.
- b) Needs parental help getting changed.

Any swimmer younger than 8 accompanied by a Parent/Guardian should use the changing room which would apply to the adult – e.g. a father helping his 6-year-old daughter would need to use the boys’ changing room and a mother helping her 5-year-old son would need to use the girls changing room. **Swimmers over the age of 8 should get changed independently unless specific help is required by a Parent/Guardian.**

Parents/Guardians supervising their children in the changing rooms are solely responsible for the children they bring before and after their swimming lesson. If any Parent/Guardian is concerned about the welfare or behaviour of any other person in the changing room (child or adult) they should immediately tell a member of the Water Wizards’ Swim School team and not attempt to deal with it themselves.

Please ensure you and your swimmer respect the facility and each other, especially while getting changed.

Familiarise yourself with any safety notices, rules and fire procedures (including fire escapes) on your first visit.

Cubicles are for changing only. Once your swimmer is changed into their swimwear, you must remove their belongings from the cubicle to allow other swimmers to access it. We recommend you place belongings into a bag and either hang on a peg within the changing room or bring the bag with you onto the spectator area. Please do not leave personal belongings in the cubicles during lessons, they are for changing only.

Once your swimmer is changed, they should wait at the grey metal gate (not on poolside) 5 minutes prior to the start of their lesson. They will be met here by a member of the Water Wizards Swim School team and taken onto poolside.

Parents/Guardians are not permitted to wait by or enter poolside via the same gate as swimmers.

WATCHING YOUR SWIMMERS LESSON

All spectators including Parents/Guardians must enter the spectator area via the main viewing area/poolside door. This means going back out of the changing room into the main corridor:

The viewing area is cordoned off by a barrier which all spectators must remain behind. Parents/Guardians and siblings are not permitted on poolside at any time, for any reason unless during an emergency. Seating is extremely limited on poolside. Chairs are filled on a first come, first served basis.

The use of mobile phones, tablets, laptops, cameras or any other such devices while attending swimming lessons with Water Wizards Swim School is strictly forbidden on poolside and in the changing rooms. Our teachers will challenge anyone using such devices and may instruct you to leave. This is to safeguard ALL CHILDREN.

The swimming pool ceiling is very low, this means it can get very noisy in the pool hall if Parents/Guardians are talking loudly. **Please keep conversations at a low level as a noisy viewing area has a massive negative impact on the swimmers learning.** Should the noise levels on the viewing area be overwhelming, a swimming teacher will need to stop their lesson to request the conversation levels drop.

Any children viewing lessons should always be under the direct supervision of a Parent/Guardian. Water Wizards Swim School is only responsible for children directly taking part in lessons and no other children at any time. Please ensure your children do not climb and jump over the furniture or barrier and stay within the pool building.

BEFORE YOUR SWIMMERS LESSON

Depending on what class they are in, when your swimmer comes onto poolside, they will sit at the signposted designated class area. A teacher will give any help/support needed before their lesson including helping with hats, buoyancy aids, woggles etc.

Please make sure your swimmer has the correct logoed Water Wizards swimming hat for their lesson. It's your responsibility to ensure that your child has a swimming hat. **If it's your swimmers first lesson hats will be give out by the class teacher.**

>>>> GOGGLES ARE NOT PERMITTED IN STAGES (1-4) <<<<

DURING YOUR SWIMMERS LESSON

To ensure your swimmer has the best quality lesson we ask that you do not communicate verbally with them or call out to them during their lesson. We encourage you to give thumbs up should they look your way; however, it is important that your swimmer gives their full attention to their teacher and the instructions they are given.

Our normal swimming atmosphere is light and fun with lots of laughter, however, it's possible you may see tears and hesitation, especially if a child is new to swimming and/or has been away from the pool environment for an extended amount of time (lockdown, summer holidays etc). Although it's not nice to see, our teachers are trained (and highly experienced) at helping reassure and encourage even our most nervous swimmers and won't require your assistance unless clearly requested.

Under no circumstances should Parents/Guardians approach instructors while teaching unless it's an emergency.

We understand you may have queries and we encourage effective communication; however, it must be done at an appropriate time. Teachers are responsible for the safety of children in their classes and are constantly assessing for danger and will not be able to talk on poolside.

AFTER YOUR SWIMMERS LESSON

Once your swimmer has had their lesson, the teacher/assistant may escort them to the changing rooms. Please ensure that you are in the changing rooms ready to collect your child. For safety reasons, you cannot come onto poolside to meet your swimmer.

If the door to the poolside/the viewing area is locked. Please wait for a member of the Water Wizards team to unlock it to allow access. This also applies to the changing room gates. For safety, these are only opened when a member of the Water Wizards team is on poolside.

Please remember to:

- Inform a member of staff of any changes in your swimmer's health.
- Not feed your swimmer at least 1 hour prior to their swimming lesson (if your swimmer is sick in the pool, it may result in ALL lessons being cancelled for several days).
- Deliver and collect your swimmer punctually to and from swimming lessons.
- Ensure you do not use inappropriate language within the swimming school environment.
- Behave responsibly as a spectator and treat swimmers, teachers, and other Parents/Guardians with due respect.
- Do not use mobile phones, tablets, laptops, cameras or any other such devices while attending swimming lessons with Water Wizards Swim School, we have a NO Photograph/video policy.

The policies are available for all members to view at any time on our website: swimwithwaterwizards.co.uk/safeguarding.
2. It has come to the attention of Swim England that persons unconnected to the sport have been taking photos and videos of swimmers for illicit use. Although Parents/Guardians may use these devices in good faith, the law protects children from the possibility of illicit images and video being taken and we ask that all such devices be switched off before entering the pool building. **Please do not use mobile phones, tablets, laptops, cameras or any other such devices while attending swimming lessons with Water Wizards Swim School**.
